Maintaining our list of H/B Weblinks is a communal project, in which all our online readers can participate.

If you have a weblink or category to contribute, or if you find a broken weblink, email it to: hblinks@hbbostonamc.org. You can also click "Recommend a link" in the footer of each page to reach us...

When submitting a link or link category, please include a short description. Relevant subjects and categories include sources of hiking information for New England, area lodging & campgrounds, links to equipment stores, conservation organizations, and more.

Visit the Weblinks main page to see all the categories we have thus far. Click on a category to see the links & descriptions for each. Thanks in advance for your help!
