Online Registration System (REGI)

<https://regi.amcboston.org/>

H/B trips are using a Online Registration System (REGI) to make it easier for to register online for trips. The following features are available when using the system:

- Create your own hiker profile w/recent hikes & experience viewable to Hike Leaders
- See the list of trip registrants, contact and carpooling info on all your upcoming events
- View your Archived Events (all the trips you've registered for using REGI)
- See our Support Tab for any questions about REGI

To view the events you've registered for, or to sign up and create your own hiker profile, go to: <https://regi.amcboston.org/>
